Comments:

There was a horrific car crash in front of my home last Thursday. I witnessed this driver lose control of his vehicle while speeding down Coolidge ave. He had to be driving at least 80 mph, and slammed into two parked cars. I was walking my dogs five minutes earlier. Cars just fly down Coolidge at high speeds, and children live on the block, my six year old included. Why can't we get speed bumps/ rumble strips installed? I've been told it's because of bus line. How can we make this happen? Someone is going to be killed. Please help. Also the wrecked cars are still there, who's responsible for the clean up?

Thank you,

Bob Albert

Subject: Mayors Support John Bryson & the Jobs Bus Tour Rolls On

Thursday, October 20, 2011

White House Office of Intergovernmental Affairs Local Update

Welcome to the White House Office of Intergovernmental Affairs local update. In this week's issue Long Beach Mayor Bob Foster offers his thoughts on Commerce Secretary nominee John Bryson, the President kicks off the American Jobs Act Bus Tour, Attorneys General urge the confirmation of Richard Cordray to lead the Consumer Finance Protection Bureau and the White House releases the Pathways to Opportunity report on helping low-income communities.

Keep an eye on your inbox and check out the [White House Office of Intergovernmental Affairs Website](#) for more information.

Mayors Support John Bryson for Commerce Secretary

President Barack Obama talks with Commerce Secretary Gary Locke and John Bryson in the Ground Floor Corridor of the Residence at the White House, May 31, 2011. The President nominated Bryson to replace Secretary Locke, who was nominated to serve as Ambassador to China. (Official White House Photo by Pete Souza)

At a time when the nation is focused on jobs, we need a Commerce Secretary who knows American business - a leader who has led a company through crisis, created jobs and has a firsthand understanding of the challenges facing US companies. And that's exactly the experience that President Obama's nominee John Bryson has.

Mayor Bob Foster of Long Beach, California tells us about his friend John Bryson:

"John Bryson is an excellent choice for Secretary of Commerce. I have known John for more than 30 years as a person of impeccable integrity with a strong sense of public service.

John and I worked together at Edison International. He was a unique CEO at Edison in that he always made sure business success did not mean a disregard for the environment or social progress. Under his leadership, Edison developed the largest portfolio of renewable energy in the country and made energy efficiency as one of its top priorities. It's an unusual business practice for a company to spend millions on reducing the use of its product, but John understood that it was in the best interest for customers, California, and the company to reduce electrical use. His strong sense of social purpose helped Edison become an environmental leader with a worldwide reputation.

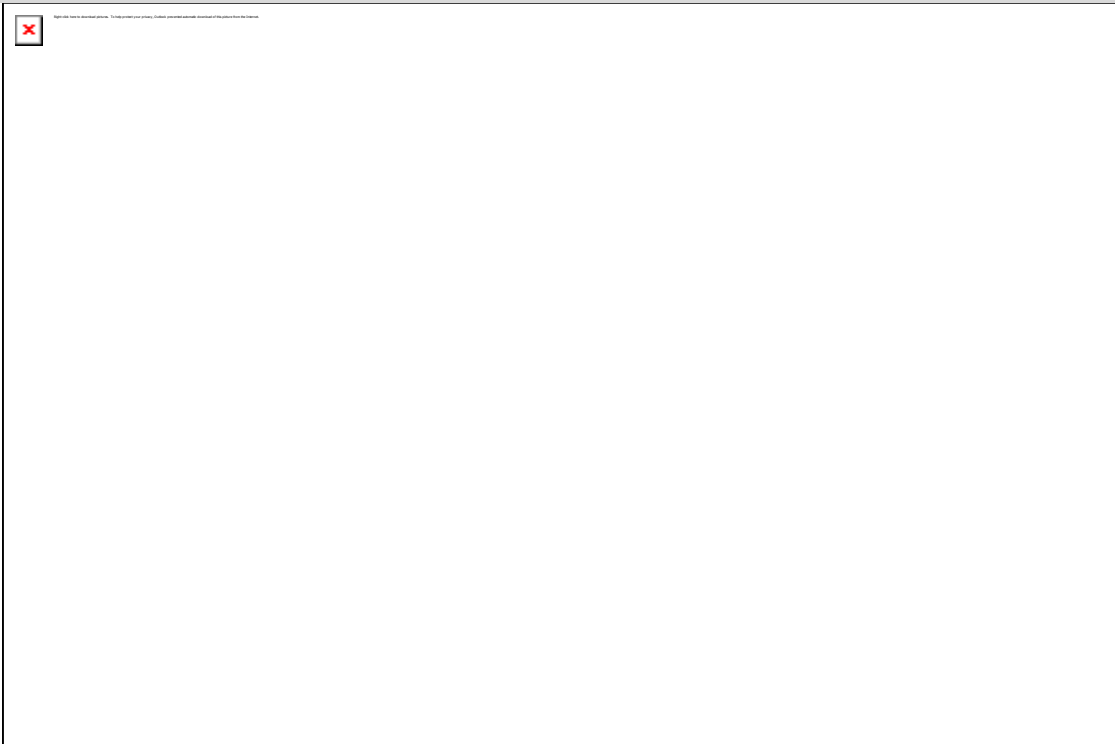

John is the kind of person you need in business today. He understands the need for profit but he also knows that success should include environmental sustainability and good corporate citizenship."

In addition, the **U.S. Conference of Mayors** spoke out about John Bryson, urging his confirmation in a [letter to Senate leaders](#):

"Mr. Bryson brings a wealth of experience from both the public and private sectors that will help create jobs and make America more competitive in the global economy. Most importantly, he knows that the private sector is the engine for job creation. As local leaders, we know that John Bryson can encourage economic growth, help provide jobs for our residents, and forge a direct connection with Mayors and the needs of our cities. He knows how to get the job done with fewer resources. He knows how to manage and lead under pressure. He is the ideal candidate to become Commerce Secretary."

You can read more from voices ranging from the [COO of Facebook to the former Treasury Secretary John Snow](#) on why John Bryson should be our next Commerce Secretary.

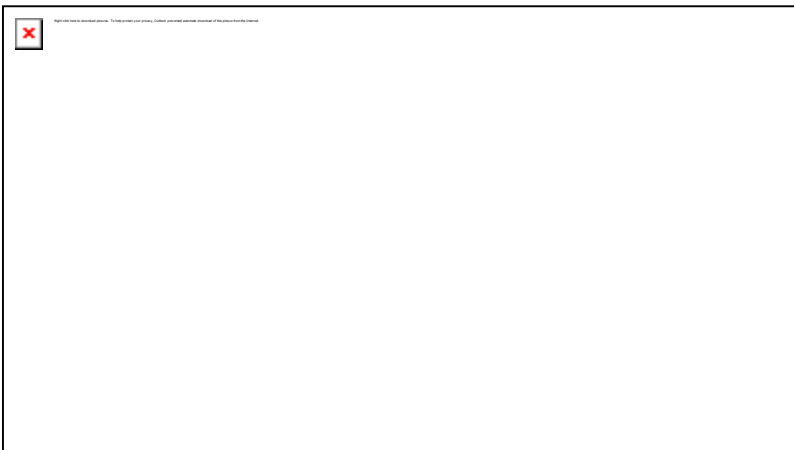

President Obama Kicks Off the American Jobs Act Bus Tour

On Monday, President Obama kicked off the [American Jobs Act Bus Tour](#) to talk to communities about the pieces of the [American Jobs Act](#) that will put more people back to work and more money in the pockets of those who are working.

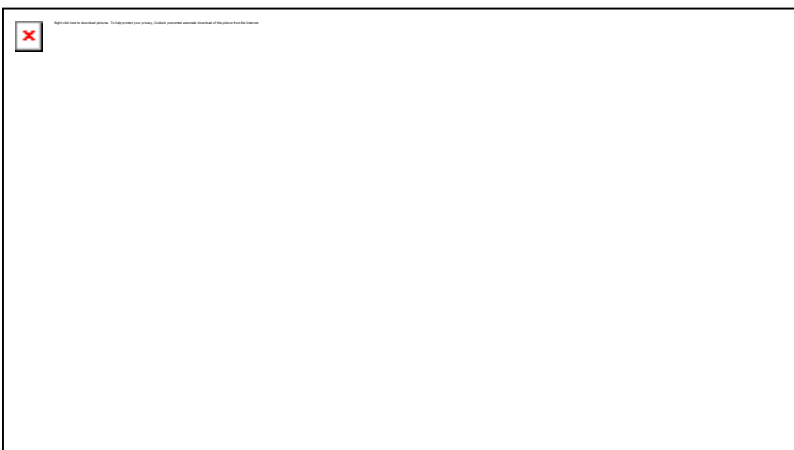

While on the road, the President spoke about some of the important numbers contained in the American Jobs Act:

The American Jobs Act provides a tax credit incentive for businesses to employ veterans to help encourage hiring and make it easier for America's heroes to find jobs when they return home. And the tax credit rises to \$9,600 for hiring veterans who also have service-connected disabilities.

The American Jobs Act will invest in retrofitting at least 35,000 public schools across the country, supporting new science labs, Internet-ready classrooms and school renovations in both rural and urban communities. These investments will help give American students the edge they need to prepare for the 21st century economy and compete with students from around the world.

The American Jobs Act includes an immediate investment in employing construction workers to restore 150 miles of runway at American airports and put in place a next-generation air-traffic control system to reduce travel time and delays.

Attorneys General Urge Cordray Confirmation to Lead Consumer Finance Protection Bureau

On Tuesday, The National Association of Attorneys General (NAAG) sent a letter signed by 37 state and territorial Attorneys General to the U.S. Senate supporting the nomination of former Ohio Attorney General Richard Cordray as director of the Consumer Financial Protection Bureau (CFPB). As the letter states:

"We are Attorneys General from across the country who represent a wide range of political interests. Some of us may disagree with aspects of the Dodd-Frank legislation. But we are united in our belief that Mr. Cordray is very well qualified to carry out the responsibilities of this position."

Creating Pathways to Opportunity for All Americans

On Friday, the White House released [Creating Pathways to Opportunity](#), a report that highlights steps the Administration has taken to create opportunity for all Americans. The President has fought repeatedly for policies to help more Americans climb the ladder to the middle class including the Recovery Act, which [helped increase employment](#) by up to 3.5 million workers at the end of 2010 and kept more than [six million Americans](#) above the poverty line in 2009, and the December 2010 tax package that continued the expansion of the Child Tax Credit and Earned Income Tax Credit, which will benefit nearly 16 million families with 29 million children.

The President's actions have made a significant impact on low-income communities in five areas:

- **Rewarding Work.** From putting more money in the pockets of working families to investing in initiatives to help workers remain connected to the workforce and gain new skills, the President has made historic reforms to reward work. The President secured the Making Work Pay tax credit in 2009 and 2010 and then a payroll tax cut that amounted to a 2 percent raise for working Americans in 2011. In addition, the President secured historic expansions in refundable tax credits for low-income families and through the Recovery Act, over 260,000 adults and youth were placed in subsidized jobs and an additional 367,000 low-income youth received summer employment.
- **Reforming America's Education System.** To further empower Americans in their climb out of poverty and into the middle class, the President has made historic investments and reforms in education from cradle to career – from launching a \$500 million fund focused on improving state early learning systems to doubling the funding available for Pell Grants for low-income students. The Obama Administration has also secured \$40 million over the past two years to develop the Promise Neighborhoods initiative – modeled off of the Harlem Children's Zone – to provide communities with the cradle through college continuum of services.
- **Health Security for American Families.** The President has also taken historic steps to ensure greater access to health care for the neediest Americans. Within a month of taking office, the President signed the Children's Health Insurance Program Reauthorization Act into law, expanding health coverage to more than 4 million low-income children who would otherwise go uninsured. And because of the Affordable Care Act, 34 million Americans will become insured by 2021 as a result of provisions expanding Medicaid coverage for adults up to 133 percent of the poverty level. Indeed, the Affordable Care Act is already working to expand coverage: nearly one million more young adults have gained access to health insurance because of this critical new law.
- **Investment in Small Business and Community Development.** The President has also consistently supported investments in small businesses that in turn invest in low-income communities. Through measures like the Small Business Jobs Act, the President has signed into law 17 small business tax cuts, established new initiatives to expand access to credit, and enhanced SBA lending programs.
- **Mitigating the Impact of the Housing Crisis.** When the President took office in January of 2009, the housing market had seen major losses for 30 straight months, slashing home equity in half which combined with the recession left many communities struggling economically. To begin rebuilding our housing market and economy, the President jump-started mortgage loan modifications, which help to keep families in their homes. More than 4 million families have had their mortgages permanently modified since April, 2009 – nearly twice the number of foreclosures which occurred in that time. And to help over 1 million Americans avoid homelessness, the President

provided \$1.5 billion through the Recovery Act for the Homeless Prevention and Rapid Re-Housing Program.

You can read the [full report](#) online and [find out more](#) about how the Administration's efforts are making an impact in low-income communities.

Subject: Occupy Oakland at Snow Park

While I support some of what *I think* Occupy Wall Street stands for (by their own admission, their platform is unclear and uncohesive) I don't understand what allowing them to now camp at two locations in Oakland will do for anyone's cause.

I keep hearing that Mayor Quan hasn't seen problems with this yet. I work across from Snow Park, and I can tell you a few are beginning.

1/ From our vantage point across the street, that poor park is barely maintained as it is. The putting green is ruined, there are extensive leaks or some type of flooding all around the area. The grass is trying to survive as best it can. The goose droppings can't be healthy to lie around and in, and they are extensive.

2/ Lots of school children use the park for morning exercise and other activities. Not cool to have marijuana smoke inhaled by young lungs as the students run their morning laps.

3/ Yesterday afternoon smoke starting wafting across our windows from outdoor cooking at the camp. That is cooking right near many large trees, lots of ivy, and a whole mess of debris behind the fence of the property intended for a 30+story boondoggle that hopefully will never be built. Considering this is the 20th anniversary of the Oakland fire, and it's going to get warmer these next few days, flame in a park does not sound like a great idea.

4/ If Oakland could afford any of this, I'd feel a little better. But we all know Oakland can't. I wish Oakland could create jobs for those looking to make the park nicer, and reduce the potholes, and work as police and teachers and etc., but that's not in the cards right now. What, for example, will it cost to deal with the rats now entering the City Hall camp. I can only imagine the wildlife that will find it's way to Snow Park once it smells dinner.

Spending money we don't have to clean up messes and potential dangers just doesn't seem prudent when they can be avoided at the front end.

As I wrote above, I keep hearing that Mayor Quan hasn't seen problems with this yet. I just wanted you to know that some of the tax paying homeowners and small business owners and employers and residents have.

And considering the bad press the parcel tax is getting, it's important to show that funds barely there are being spent in a more prudent fashion.

**Tuesday October 25, 2011
from 8:00 AM to 1:30 PM**

Today is the Last Day to Register!

We're a little less than a week away from this year's Principal for a Day event! This year, however, we are attempting to take a look beyond the event and lay the groundwork to help facilitate this year's theme: Principals Connecting for Good. The "for Good" part of this theme has double meaning: 1. to work together to support the education of all students of the Oakland Schools and 2. to create lasting, substantive partnerships for the long haul because we all know meaningful change doesn't happen overnight and requires commitment and persistence in the face of challenges.

This year, as convener of the PFAD, the Marcus Foster Education Fund (MFEF) commits to facilitating a conversation addressing the following questions at the luncheon:

- How can PFAD serve the implementation of the District's strategic plan, particularly the Full Services Community School approach of meeting the needs of the whole child?
- How best can MFEF help to establish meaningful and sustainable partnerships between interested and engaged community members in communities and schools?

- Can PFAD serve as a launch point for raising the funds to support effective practices that may be replicated and modeled across the district?

We also want you to come prepared to respond to these and other queries needed to create partnerships that have meaning for schools and community.

The staff and board of MFEF and the Oakland Unified School District encourage you to participate in this landmark event and be a part of the dialogue to deepen existing partnerships between Oakland Public Schools and community. Please make the time to attend the luncheon where we will start this important conversation. Thank you if you have already registered, but if you have not, please register today.

Welcome Grace, Molly, Ginger, and Milou!

This weekend meet the newest members of our family.

When they were cubs, Grace, Ginger, Molly, and Milou were part of a traveling animal show, where guests could pay twenty dollars to have their photos taken with real tiger cubs.

Pulled prematurely, these tigers should have stayed with their mothers through the first two years of their lives. A custody battle between the divorced owners left the four tigers neglected.

Luckily, the USDA rescued the then 20-month old sisters from their predicament, and set them up at the Gladys Porter Zoo in Brownsville, Texas. However, the zoo had little room for the growing tigers, and were desperate to find a permanent home for these beautiful animals. In September, thanks to the work of many volunteers and several corporate sponsors, these four tigers were flown from Texas to their new forever home here at the Oakland Zoo.

Palm oil is in many products, from crackers to soap. The oil palm plant grows mainly in Borneo and Sumatra, home to tigers, sun bears, elephants, and orangutans. Sadly, the industry poses a threat to these species, as much of it uses deforestation practices that greatly threaten their delicate habitat.

Quarters for Conservation

Each time you visit the animals at the Oakland Zoo, you will be helping animals in the wild. The Oakland Zoo has launched a new initiative called Quarters for Conservation, which will dramatically enhance our ability to support wildlife conservation. You, our members and visitors, will be part of this exciting evolution in conservation.

How it Works

Each time you visit the Zoo a twenty-five cent conservation donation will be contributed in support of several Oakland Zoo conservation projects. You will then receive a special voting token. This token can be taken to the conservation station in Flamingo Plaza and used to choose a conservation project that inspires you. Your vote will determine how much funding will go to each project. Quarters are also accepted.

This year the three projects are Chimpanzees in Uganda ([The Budongo Snare Removal Project](#)), Elephants in Kenya ([The Amboseli](#)

AC Transit Awarded More than \$6.6 Million in Dept. of Transportation Funding *Funds will go towards improving elevators, buildings and management technology*

AC Transit today announced that it has been awarded \$6,677,074 in Department of Transportation funds to help upgrade facilities and equipment. The funding comes from the Federal Transit Administration's "State of Good Repair" program, which seeks to ensure the continued safety and integrity of America's bus and rail systems through projects to maintain infrastructure, manage information and innovatively finance public transportation systems.

AC Transit Interim General Manager Mary King called the grant "extremely good news," particularly at a time when funding for public transit is so difficult to obtain.

"This grant will allow us to make some critical capital improvements and repairs," King said. "We will now be able to replace elevators, upgrade our facilities to meet environmental standards, and develop an asset management database to more effectively track the condition of the agency's facilities and equipment. This reduces the need for costly emergency repairs and major rehabilitation, and minimizes the drain on our operating budget which helps to ensure more bus services for the public."

King also thanked Congresswoman Barbara Lee (D-Oakland), who was equally gratified after helping to secure the funding for the agency.

"This grant award is wonderful news for my constituents and for all of those that rely on AC Transit for its vital services," said Lee. "I'm pleased that AC Transit will receive these critical funds to make necessary upgrades that will ensure its environmental sustainability and advance its technological capabilities. I strongly support continued and robust investment in public transportation systems like AC Transit that provide sustainable and affordable transportation services, and are often the sole form of transit for low-income communities."

Subject: Tell Sen. Feinstein to fight affordable housing cuts!

Dear members and allies:

Please take a moment out of your day to help keep people housed! Tomorrow, the U.S. Senate is considering the Transportation, Housing and Urban Development (THUD) Appropriations Act. This act includes deep cuts to housing, including the HOME program, which helps preserve and build affordable housing for low-income Californians, seniors, working families and people with special needs. Please tell the Senate that a cut of \$600 million will have dire consequences for real people who need housing.

Email Christine Epres, Legislative Assistant for housing issues, in Senator Feinstein's Office TODAY to ask that the Senator oppose deep cuts to this crucial program in tomorrow's vote. We have made this quick and easy by providing text for the email below - simply cut and paste the text below into your email message, add information about your organization, and send to christine_epres@feinstein.senate.gov. **It is that simple - and incredibly important.** If Christine receives a flood of emails from us today about the importance of this program to our work, it will send a powerful message to encourage the Senator to oppose cuts to HOME.

Please feel free to contact Gabriella Chiarenza at Non-Profit Housing Association of Northern California with questions at gabriella@nonprofithousing.org.

Thank you for your rapid action on this important vote!

RE: Ask the Senator to Oppose Cuts to the HOME Program in Tomorrow's THUD Appropriations Act Vote!

Dear Ms. Epres,

As you know, tomorrow Senator Feinstein will cast her vote on the FY 2012 Transportation, Housing, and Urban Development (THUD) Appropriations Act, S. 1596. As approved by the Senate THUD Appropriations Subcommittee on September 21st, this Act authorizes damaging cuts to critically important housing programs, including the HOME program, which would be cut by more than a third for FY 2012. [Insert your organization's name here] respectfully requests that you ask the Senator to oppose any deep cuts to the HOME program in tomorrow's vote.

[Add information about your organization or personal story here.]

The HOME program is crucial to the production and preservation of affordable homes in California and, in turn, has a powerful positive impact on the lives of lower-income Californians. The program has invested \$3.2 billion, and supported the creation of 140,252 affordable units for low- and moderate-income households.

Please encourage Senator Feinstein to protect the HOME program and other critically important housing programs by opposing the devastating cuts proposed in S. 1596.

Sincerely,

[your name]

Tell Congress to Extend Unemployment Insurance

Dear Jean,

Almost **two million out-of-work Americans will lose their federal unemployment insurance in January** - and millions more later in 2012 -- if Congress does not renew the benefits before they expire Dec. 31.

A new report by the National Employment Law Project¹ shows that if we don't act soon, 305,400 people in CA will lose their unemployment insurance and slip into poverty.

Millions are struggling to find work in an economy wrecked by Wall Street. [Will you help by asking Congress to extend unemployment benefits?](#)

Nearly seven million Americans are currently surviving on modest unemployment insurance benefits. Over three million people are one unemployment insurance check away from falling into poverty.

If we cut the last thread keeping these families in the middle class, it won't just hurt them. It will worsen the housing crisis because more people will be unable to afford their mortgages. It will worsen the retail economy and force small businesses to close because even more American families will be unable buy food or clothes for their kids or pay the heating bill.

If Congress doesn't act right now, 1.8 million workers will be cut off in the month of January alone – Merry Christmas America, you get another recession in your stocking.

Don't let it happen. [Please help by telling Congress to extend unemployment benefits now.](#) America's job crisis isn't going away, and the last thing we need are more people in poverty.

Sincerely,
Drew Hudson

Subject: Oakland TIGER III

Hello Toni,

I am your new contact on the Oakland Army Base Tiger III application.

Long story, but the Port has agreed that the City of Oakland should be the applicant.

The application will be characterized as "Restoring the Working Waterfront".

It will be a \$40 million ask for a backbone infrastructure project of +/- \$184 million.

The other funds will be comprised of Oakland Redevelopment \$32M, Private +/- \$20M, and the matching \$92M TCIF.

The independent utility will be the restoration of the Oakland Army Base into the working waterfront it was for the fifty years it was operated by the Army.

The construction of \$184 in backbone infrastructure, road, utilities, wharfs, and site work will create the outcome of at least \$160M in additional private investment for port-oriented logistics buildings, including two major export oriented recycling operations that will be relocated out of the adjacent residential community. There will be significant rail and break bulk handling infrastructure, creating the only deep water break bulk facility on the west coast (that may be hype?), supporting Sec'ty La Hood's Marine (?) Highway Initiative. On the friendly side it will accommodate bike trails and car access to the park being planned at the foot of the new Bay Bridge.

Please let me know what info I should assemble.

We are already working on graphics, budgets, project descriptions, employment projections.....but you should be telling us what and how to format it.

It's timing critical because Mayor Quan is meeting with La Hood on Monday (please keep that just between us) and she will need the right material to make her pitch to the Secretary.

Maisha will be attending and she hopes you can join them. Please contact her for the details.

I look forward to working with you.

Subject: TIGER III Path Forward

Hi Fred and Gregory,

Pat and I stayed at the Port for several hours after this morning's meeting and have come up with a proposed approach for TIGER III. Here is the framework we are proposing for applying for these funds:

1. Although the project we describe is in the context of the entire One Vision, One Project, One Team context, the actual work we will be seeking TIGER III funding for will take place solely on Agency/City property;
2. The work will include the Maritime Street utility corridor, a re-alignment of Burma Road with a utility corridor, and site preparation of our East, Central, West, and North Gateway Areas;
3. The total project cost is estimated at around \$184 million with a combination of Agency (\$32M), TCIF (\$92), private (\$20) and DOT \$(40) funds to support it;
4. We should ask for \$40 million;
5. The Agency/City will be the applicant;
6. The Port will pay AECOM to prepare the application for us;
7. Pat Cashman as the Army Base Project Manager will be our primary point person for this grant application process and should run everything through the chain of command;

8. Toni Horst at AECOM is his primary point of contact, although John Barna will also be intimately involved given his depth of knowledge about these types of projects and TCIF; and
9. Of course the rest of the Army Base Team is available to provide any assistance needed.

With respect to the TCIF allocation, we discussed which entity is best positioned to take advantage of and manage it. John Barna strongly recommends it be transferred to the Agency/City and the Port staff did not disagree. There was discussion of how this might be accomplished. The Port would lay the ground work at a December CTC meeting, at which they must request time extensions to their baseline agreements. At that meeting, the Port would indicate that, due to economic conditions, it was unable to deliver the required matching capital but that the Agency and its private partners wanted to carry the project forward.

I think this covers most of the key points. Thank you. Al

Oakland – October 20, 2011 – On Friday, October 21, The Oakland Unified School District (OUSD) will extend its leadership position in providing on-site health care services to students, when it celebrates the grand opening of a school-based health center at the Frick Middle School campus. Key partners from Alameda County and the City of Oakland, as well as school site leaders, parents, students and community-based providers, will join in the 10:00am dedication of a facility offering comprehensive medical, mental health, health education and youth development services under one roof.

“Our mission is to help children acquire the academic skills and content knowledge, study skills, personal responsibility and resilience necessary for success in high school and beyond,” said Frick Middle School Principal Jerome Gourdine. “This school-based health clinic will aid in that mission by addressing many of the physical, social and emotional issues that can interfere with academic achievement.”

The Frick Health Center will be operated by the East Bay Agency for Children, an Oakland-based organization that has provided behavioral health services on the Frick campus for many years. Service delivery will be supported by funds established by Kaiser Permanente at the East Bay Community Foundation (EBCF). The seed funding for the Frick Health Center was initially awarded to the City of Oakland in 2008 by Kaiser Permanente through EBCF, a partnership that generously supports health and wellness programming in Oakland schools. Continued funding will be provided by Kaiser Permanente through the partnership. Kaiser Permanente's support of the Frick Health Center and nine other Oakland Unified School District school-based health centers is part of the organization's \$7.5 million, three-year investment in Oakland's schools, which began in November 2010.

“The number of school health centers has continued to grow, despite our weak economy, because schools, providers and communities know that supporting healthy children is a smart investment. In 2000, California had 108 school health centers; today, there are 183,” explained Serena Clayton, Executive Director of the California School Health Centers

Association, noting that Alameda County is recognized nationally for using creative strategies and partnerships to grow the school-based health center initiative and Oakland Unified now has nine such centers in operation districtwide, and will have a total of 15 by the end of the year.

"The Oakland Unified School District has been at the forefront of this growth by engaging local partners, tapping local resources such as facilities bonds, and applying for government and philanthropic grants," Clayton continued. "Oakland's leaders place a high value on the fact that a school is the institution that touches almost all children. If we want to make sure that children and youth get health care, it just makes sense to put health care where they are -- at school. At the same time, by increasing access to health care, we are ensuring that young people are healthy and ready to learn."

Frick, located in the heart of East Oakland, strives to address the varied needs of its diverse student body and school community. The middle school, which already places great emphasis on developing a strong, healthy and nurturing school culture, will now be well-equipped to address the holistic needs of students.

'East Bay Agency for Children (EBAC) is excited to lead the Frick School Based Health Center, in partnership with the Native American Health Center, Oakland Unified School District and Alameda County Health Care Services," said Steve Eckert, EBAC's Executive Director. "EBAC has long provided mental health services at Frick and the school based health center builds on our history and school relationships, consistent with our agency vision: "Building brighter futures and stronger communities."

Native American Health Center (NAHC), a Federally Qualified Health Center headquartered in the Fruitvale District of Oakland, has signed on to provide the medical component. NAHC is a local leader in school-based health care, as the lead agency for two other SBHCs in Oakland, on the Calvin Simmons (United for Success and Life Academy) and Skyline campuses, as well as a number of other sites in the City of Alameda.

The large expansion of school-based health centers in Oakland between 2010 and 2012, from seven campuses to a planned total of 15, embodies OUSD's transformation into a Full-Service Community District, where schools leverage community partnerships to improve academic, physical, social and emotional outcomes for students.

"Healthy communities are a prerequisite for healthy kids and strong schools, so it's essential that we address the conditions in our city which interfere with the development of children," explained OUSD Superintendent Tony Smith. "In order to dramatically improve outcomes for students, we must create environments where high-levels of learning and social growth can flourish. Comprehensive, school-based health centers represent a significant step in OUSD's transformation into a Full-Service Community School District, where schools that care for the whole child serve as an anchor for the neighborhoods which they serve."

Frick's facility was renovated with voter-approved Measure B Facilities Bond Dollars administered by OUSD. The resulting space includes two medical exam rooms, a laboratory, three confidential consult rooms, a school nurse's office, and a conference room to hold workshops and conduct youth development programs.

The effort to establish school-based health centers throughout OUSD is one of the largest interagency partnerships in Alameda County and demonstrates the type of public-private partnership needed to improve outcomes for Oakland's children. Alameda County funds universal access to behavioral health services at Frick through Measure A funding and an Early Periodic Screening Diagnosis and Treatment (EPSDT) contract. Alameda County has been investing in school-based health centers as a key school health improvement strategy since 1996 and sustains core funding for many of Oakland's school-based health centers through Measure A and Tobacco Master Settlement Funds (TMSF).

"School based health centers are a proven model of public sector collaboration. They have helped us define the nexus of public health and public education," stated Alex Briscoe, Director of Alameda County Health Care Services Agency. "School-based health centers are also an entrepreneurial and innovative approach to social justice and health equity, with a large percentage of the operating budgets of SBHCs generated by billing third party-payers. This aggressive pursuit of outside revenues for school based services is critical as schools struggle with ongoing challenges to their fiscal viability."

Over the next month, Oakland will also celebrate the completion of four additional school-based health centers located at Skyline High School (Native American Health Center), Elmhurst Middle School (LifeLong Medical Care), as well as West Oakland Middle School (LifeLong Medical Care) and the Havenscourt campus (La Clínica de La Raza), which are part of the Elev8 Initiative funded by Atlantic Philanthropies, another key partner in the school-based health center expansion.

ASSEMBLYMEMBER MARY HAYASHI PARTICIPATES IN THE GREAT CALIFORNIA SHAKEOUT DRILL IN HAYWARD

Assemblymember Mary Hayashi (D-Hayward) joined federal, state and local agencies at Hayward City Hall this morning to take part in the 4th Annual Great California Shakeout Drill in an effort to create greater awareness about earthquake preparedness and provide an opportunity for our public safety officials to practice their emergency response plans. This statewide drill involved more than 8.5 million Californians learning how to “Drop, Cover and Hold On” during an earthquake.

According to the [United States Geological Survey](#) (USGS), residents living in the Bay Area have a 62% chance of experiencing an earthquake of 6.7 magnitude or greater within the next 30 years. There is also a 31% chance that the earthquake’s epicenter will occur on the [Hayward - Rodgers Creek fault line](#) that slices through the East Bay.

Preparation for an earthquake and practicing your immediate response during an earthquake are essential for the safety of you and your family. The State of California is firmly committed to helping residents be prepared and minimize the fears and challenges that come with such disasters. Along with supporting educational efforts like today’s Great Shakeout, the State offers earthquake preparedness tips and guidance for individuals, families, schools, and businesses through the [California Emergency Management Agency](#). Assemblymember Mary Hayashi also offers an [earthquake preparedness guide](#) that can be accessed on her website, or by calling her district office at (510) 583-8818.

Assemblymember Mary Hayashi, American Red Cross, Federal Emergency Management Agency, California Emergency Management Agency, and the Hayward Fire Department presented the following three important steps for all Californians to take during an earthquake:

1. **DROP** to the ground.
2. Take **COVER** by getting under a sturdy desk or table.
3. **HOLD ON** to it until the shaking stops.

It is important to discuss and practice these response steps with your family, coworkers, and neighbors prior to a disaster of such magnitude. With advance-planning, we can minimize the impact of any damage that may occur and keep our loved ones safe. Together, we can prevail through challenging times.

Subject: STILL PENDING FOLLOW UP FROM INTERIM CHIEF HOWARD JORDAN FROM OPD & NEED A 3RD PARTY CONTACT ASAP FOR SGT. GEORGE PHILLIPS.. YOU'RE ADDING TO MY EMOTIONAL DISTRESS... WHAT IS THE HOLD UP WITH THE SIMPLEST FIXES IN OPD???

It's now the 19th and I STILL HAVE YET TO EVEN HAVE THE SIMPLE ISSUES RESOLVED...

HOWARD JORDAN,

Why is it taking soo long to follow up and follow through with even the simplest issue you were to resolve back on 9/27??? As you already are aware, I have several valid complaints of negligence, dishonesty, reckless behaviors against Sgt. George Phillips and although he has made "significant progress" on the case (which I just found on on 9/27), he has cause me and my family an indescribable amount of irreparable emotional damage.. Not only did he compromise my safety and My/ Daddy's business by violating a court order (because he didn't do his research) by bringing the person who is responsible for Daddy's Murder & who's also made death threats and had her affiliates come after me in a car chase to my place of business without notifying me, not following proper procedure.... But because of Sgt. Phillips reckless & negligent behaviors in not following proper procedure and blatantly lied, I now have to see and hear about others seeing The Truck (THAT I HELD THE PHYSICAL PINK SLIP FOR, IN ADDITION AM THE EXECUTOR OF THE TRUST/ RESPONSIBLE FOR) anywhere from Richmond to Oakland, damn near every day and we lost that strong memory of our father, BECAUSE OF GEORGE PHILLIPS..

Because of Sgt. George Phillips and his lack of returning simple phone calls when I called him in distress the night of the car chase, and even more recently when I received death threats and pleaded to him and your office for help and to trace calls, he treated me with low priority and with the email response he sent, Even SAN LEANDRO PD CONFIRMED HE WAS GIVING ME THE "OUTRIGHT BRUSH OFF TREATMENT" and because of all of the stress when he couldn't even do the simplest things, I lost my child in miscarriage a short time after (BECAUSE OF ALL OF THIS.. NOT DADDY'S DEATH.. BUT GEORGE)....

Even my mother called me and asked me to relay and she also wrote a letter requesting that there be another form of contact because of the critical amount of emotional distress it causes my brother to even talk to him or hear his voice, because he's just as effected and that truck was supposed to go to HIM (for ME to administer to him once it was cleared)..... I CAN'T EVEN STAND HEARING HIS VOICE, LITERALLY.... I am so full of rage/ upset with Sgt. George Phillips it's not even funny, for how he mishandled things, lied & was reckless and I don't ever want to talk to him again. But as issues come up, I have no choice but to call him and leave messages and/or email **BECAUSE YOU DID NOT RESOLVE THE SIMPLEST REQUEST THAT YOU AGREED TO..... DO YOU REALIZE THE EFFECT YOU ARE CAUSING?????????? I MEAN REALLY??????** IT'S BECAUSE OF YOU AND PHILLIPS AND ALL OF THIS UNNECESSARY CRAP THAT I NOW HAVE TO MAKE AN APPOINTMENT TO SEE A THERAPIST BECAUSE OF THE EXTREME AMOUNT OF STRESS CAUSED THAT COULD HAVE ALL BEEN AVOIDABLE IF YOU HAD JUST DONE YOUR JOBS, FOLLOWED PROPER PROCEDURE, TELL THE TRUTH AND DO THE RIGHT THING... IT'S BECAUSE OF YOU, PHILLIPS AND YOUR DEPARTMENT THAT I HAVE TO SEE A THERAPIST TO GET MY STRESS UNDER CONTROL BECAUSE I LOST ALL OF DAMN NEAR EVERYTHING OF MY DAD FROM THAT PROPERTY BECAUSE OF YOU AND YOUR DEPARTMENT AND NOT JUST TAKING TIME TO DO THE RIGHT THING AND PROTECT AND SERVE!!!!!!!!!!!!

BUT FOR ALL I STATED IN THE MEETING AND IT WAS APPARENT THAT YOU UNDERSTOOD BECAUSE YOU AGREED TO RESOLVE THE MATTER, YOU HAVEN'T DONE A THING...

I DON'T KNOW IF YOU'RE TRYING TO PURPOSELY DRAG YOUR FEET TO MAKE THINGS HARD ON ME, BUT LET ME TELL YOU, MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT OF OTHERS, IF THAT IS YOUR INTENT...

Since My Father's Murder, as My Brother is physically and mentally disabled, EVERYTHING HAS FALLEN ON MY SHOULDERS N WITH THE PERSON RESPONSIBLE FOR HIS MURDER BECAUSE SHE WANTED HIM TO PURPOSELY DECOMPOSE AS EVEN THE FUNERAL HOME CONFIRMED 1ST HAND.... IT'S ONLY ME WHO IS KEEPING THE BUSINESS RUNNING AND PAYING FOR ALL THESE LEGAL PROJECTS NOT JUST FOR YOUR DEPARTMENT BUT OTHER AS I HAVE NO CHOICE IN BEING PLACED AS ADMINISTRATOR OF THE TRUST.. EVEN NOW, AS DADDY WAS ALWAYS THE ONE TO PRIMARILY KEEP MY BROTHER IN CHECK, MAINTAIN ALL OF HIS AFFAIRS SINCE MY BROTHER IS MENTALLY INCOMPETENT, I FOUND OUT THIS WEEK THAT I HAVE NO CHOICE BUT TO TAKE CONSERVATORSHIP OVER MY BROTHER BECAUSE HIS LIFE HAS FALLEN APART AND NO ONE ELSE IS CAPABLE OF TAKING CARE OF HIM...

SO ALL I'M ASKING FOR IS A LITTLE HELP AND IF YOU'RE TRULY SORRY FOR MY LOSS, YOU'D DO YOUR FRIGGIN JOB & TUCK YOUR EGO IN YOUR BACK POCKET..

As My Father left both My Brother & I life insurance, Sgt. Phillips already cleared us back in May... Since then, unbeknownst to me, there is an additional policy in which the Insurance Agency located both me and my brother.. As they sent a form for Phillips to fill out, he returned the form, showing the case is still open (which is to be expected), but showed no indication that I, nor my brother are cleared. He already knows me and my brother have nothing to do with what ever happened to Daddy...

Howard, since you STILL HAVE NOT RESOLVED THAT SIMPLE REQUEST, as my brother contacted me last week, I left a message for George to please contact the insurance people and correct. If there is something that I'm not aware of, please let me know... Didn't hear a word from (which I didn't want to hear anyways)...

I sent a follow up email yesterday and no word.. I was contacted by the Life Insurance Agency this morning, as well as my brother and left another message for Phillips and I **REALLY CAN'T TAKE EVEN HEARING ON VOICEMAIL (I will never forgive him for some of the shyt he pulled).. But there is no response.. The request doesn't take but less than 3 minutes to complete and not that hard..**

Now my guess for you, Howard, is because I struck a chord with your ego at the meeting, your purposely dragging your feet (which you intently made clear with an uncooperative response towards the end of the meeting) to try to make me suffer..... For George, since I started the Hell Storm and Complaint Process with Him since June (after I found out about the Truck) and bringing wrath, he's probably doing the same.... It may have been a simple fix, but judging how you and him carried yourselves, so far, I say his behavior is intent...

The sooner situations get resolved, the sooner I'll get off of your cases... **PLEASE FIND AN ALTERNATE CONTACT BECAUSE I REALLY CANNOT STAND HEARING SGT. PHILLIPS VOICE, NOR CAN MY BROTHER & I DON'T WANT TO HAVE ANYTHING TO DO WITH HIM, DIRECTLY.....**

ALSO, CAN YOU PLEASE HAVE HIM RESPOND TO THE EMAIL I SENT YESTERDAY IN RESOLVING WITH THAT QUICK FIX FOR THE LIFE INSURANCE, (WHICH HE ALREADY DID FOR THE PREVIOUS COMPANY) OR SOMEONE FROM YOUR OFFICE (BESIDES HIM) LET ME KNOW STATUS???

THANKS IN ADVANCE AND ALL I ASK IS THAT YOU TURN TABLES AND LIVE LIFE THROUGH MY EYES AND THEN YOU'LL UNDERSTAND WHY I'M SO UPSET, DISGUSTED & MAD AS A HORNET WITH HOW EVERYTHING IS BEING TREATED, HOWARD..

Subject: OAKLAND POLICE DEPARTMENT'S INTERIM CHIEF, HOWARD JORDAN IS AN EGOTISTICAL "SLUG" FOR THE MISHANDLING WITH THE ISSUES/CONCERNS SURROUNDING THE HOMICIDE OF YANCY V JOHNSON

Interim Chief Howard Jordan,

Happy Tuesday... This is a follow up from The email I sent to you, dated 9/30/2011, after our meeting on 9/27/2011. It is now 10/17/2011 and I still have yet to hear a response directly from you... Although you are Interim Chief (until OPD finds a permanent placement), I understand you have assistants.. However, as I met DIRECTLY WITH YOU in addressing issues on 9/27/2011 and you made **several** inaccurate statements, was to resolve the request to find an alternate method contact/ correspondence due to the irreparable & extreme emotional distress caused with any type of communication by Sgt. George Phillips, correcting the blatant lie you told in trying to cover for him, in addition to you following up with the outstanding issue of the property access rights/ coordination, I expect to hear **DIRECTLY** from you and have **not heard ONE RESPONSE, FOLLOW UP, CORRECTION OR OTHER... With as much time that's gone by and you knew you messed in the meeting by not being prepared and lied and tried to brush things off, it just seems that you really don't care about your job, nor your department, or you're just too comfortable in your position thinking you can get away with anything... That's a sad frame of mind either way, so I'm going to ask once again as I initially did on 9/27 & 9/30, to correct your inaccurate statements, lie you told and follow through with what you said you were going to do..**

Again, as I stopped your sentence in the beginning of the meeting because I already knew it was superficial and I stated that if you truly are sorry for my loss, you'd just do your job, making things easier for me.... So again, I ask Interim Chief, HOW TRULY SORRY ARE YOU FOR MY LOSS BECAUSE YOUR ACTIONS CONSISTENTLY HAVE SPOKEN DIFFERENT THAN YOUR MOUTHPIECE...

Although I had to correct you on several inaccurate statements you made since it was clear as day that you did NOT read through any of the documents, DID NOT contact the City Attorney and did NOT do your homework/ research, it was very apparent that you entered uncharted territory and wasn't ready for it...

Among the list of things, discussed, ONE THING YOU DID AGREE TO DO AS AN EASY FIX was to find an alternate contact, rather than continue to correspond with Sgt. Phillips... Because of the amount of unnecessary stress Sgt. Phillips has caused our family, including me losing a baby with the stress caused with the multiple acts of malicious negligence and reckless behaviors, violating court orders that compromised my safety and other, it really has taken a mental toll on me and my brother... As I disclosed before that my brother has even called my mother and me crying, breaking down after every time he talks to Phillips... You "acted" like you understood and appeared to be fully cooperative in agreement.. As you have other officers contacting me to schedule meetings (even for other officers), all you had to do is designate a 3rd party to contact as a bridge way for Me/My Brother & Phillips... However, never received a follow up from this simple fix...

Since the meeting on 9/27, Sgt. George Phillips directly contacted My Brother, asking him for MY ADDRESS IN WHICH HE ALREADY HAS... He knows how to contact me.. He called my brother because he was going to send some resource information for a Grievance Counselor... **A GRIEVANCE COUNSELOR 7 MONTHS AFTER MY DAD HAS BEEN DEAD AND FOR ALL THAT WE'VE GONE THROUGH AND HE'S JUST NOW DISCLOSING THIS INFORMATION???**
WHAT IS WRONG WITH YOU PEOPLE??? I don't know if he's purposely trying to contact my brother to purposely agitate him, but it is very apparent that you did not even address the issue with Phillips because he still called my brother, days after the meeting on 9/27..... After my brother called both me and my mother, crying and already borderline nervous break down, SINCE YOU COULDN'T EVEN COMPLETE THE SIMPLEST OF TASKS, I HAD TO DIRECTLY CONTACT PHILLIPS AND LEAVE A MESSAGE LETTING HIM KNOW TO PLEASE STOP CONTACTING MYSELF AND MY BROTHER AND YOU WERE SUPPOSED TO HAVE DESIGNATED AN ALTERNATE CONTACT... IT'S NOW 10/18 AND STILL NO WORD, JORDAN... **So again I ask, How TRULY SORRY ARE YOU FOR OUR LOSS?**

As I've spoken to a few associates, clients and other who work in your department, I agree with them 1,000% in saying that you are "full of yourself", "egotistical" and "a slug"... As I stated in the initial email below on 9/30, everything was all smiles and charm until I started correcting you and calling you out on your inaccurate statements as I saw you weren't prepared.. From there, I don't care how you try to mask it, but you became more defensive, impatient, turned uncooperative as it seemed I struck a chord with your ego..... From wanting to help with simple fixes quickly changed as you saw the situation can no longer be brushed off and was all avoidable...

Where you stated that you would contact the City Attorney, and I asked you for a time line and you refused to give one, why is that Sgt. Bolten took a few moments to check in on the matter and doing what you should have done? It was very apparent in the meeting that as I called you out on your lie and inaccurate/ inconsistent statements, that you were trying to find a way to make me suffer.. You ought to be ashamed of yourself, Interim Chief Jordan.. With the behaviors you displayed, even in that short meeting and following after, tells me that you will never be a Permanent Chief and Always a Temporary because you have the wrong frame of mind in leadership and what your badge stands for....

As for a "Slug", That also fits you extremely well as it's all consistent with the behaviors from the meeting and looking at almost 3 weeks later and you still didn't do due diligence on the things you did agree to carry out.. **I'm not even going to define this term as you already defined it for me on Page 15 of Your Deposition from 1/21/11 with your case against Derwin Longmire, but your actions clearly define who you are and this label suits you in how you've handled this entire project....**

I am not purposely trying to go out of my way to attack you or your character.. But when you show any type of inconsiderate, unjust behavior and mistreatment towards me (especially when it's not justified in truth), I have even less consideration for you... Just do what was asked of you and follow through with what you were supposed to do (even from jump)... If folks just did the right thing and do what they were/ are supposed to, you wouldn't have to deal with this...

As I run businesses and even a rule of thumb in dealing with life??? If you don't want people to complain, especially about the same thing, then don't give them a reason to... Either resolve it and keep it moving or try to get it right the first time....

Interim Chief Jordan, in pushing forward, because of your intent negligent and reckless behaviors, I will be pushing forward to file a complaint against you, adding in with the bunch of bad apples... Thanks for making my claim against the city easier as all you had to do was do what was asked of you (even before the meeting) and carry out simple tasks, and you couldn't even do that and let your ego get in the way...

Please see below for original email sent as I still have not heard a response and you are clearly a liability for the city...

"Pour tous ceux qui répondre à mes appels à l'aide, et de faire diligence raisonnable grâce à la justice, la vérité, de véritables actes de le coeur, et ne pas traiter comme priorité faible, peuvent vous être béni un million de fois plus avec la gentillesse vous montrer d'autres personnes ...

Pour tous ceux qui je appel à de l'aide, et de me donner le pinceau de traitement, profiter de, maltraitent & agir avec un coeur mauvais destiné, par négligence, témérement et bêtément, que Dieu ait pitié de votre âme comme je malédiction vous avec échec dans tous les domaines de la vie, 7x7, en plus de 2 fois comme comment vous traiter les autres de vous être renvoyé.."

Subject: OPD'S ASSISTANT CHIEF HOWARD JORDAN TREATS MEETING SURROUNDING YANCY V JOHNSON'S HOMICIDE WITH BRUSH OFF, LIES & CARELESSNESS

Hi Assistant Chief Jordan & Sergeant Benton,

This letter is a follow up from Our Meeting held on Tuesday (9/27/11) regarding with the investigation and several surrounding issues/ incidents since My Father's homicide on 3/16/11 under Report Number 11-013194.

I will make this as brief as possible and straight to the point. First and Foremost, Sergeant Benton, I want to say that I truly appreciate you being present and for your insight and the way you carried yourself, overall.... With the issues surrounding the trust (gaining access to property,etc)... You stepped up and expressed that with situations like these, it's not a common thing (explanation why the situation has been mistreated), but you came across in being open to listening and looking for a solution (not writing it off since it's uncharted territory).... As you spoke, you took responsibility/ accountability, not just for yourself in understanding and experience as you worked Patrol (putting yourself in a position to see why things were handled the way they were), but Officers in your department Overall... If you weren't familiar with something, you were upfront in saying so, but presented an openness in being willing to learn and explore to resolve.... You took responsibility/accountability with an open mind to resolve and that is a Strong Trait of a Leader...

Even with addressing the issue as to why Chief Batts HAS NEVER responded at any point, you explained that, taking responsibility and I appreciate that... Even for after the meeting was done, you took the initiative to walk us to the Elevator and Explain some things but you made an attempt to bring closure with a "POSITIVE" resolve. Sgt. Benton, for your participation in the meeting and after, YOU ARE APPRECIATED AND SHOW GREAT TRAITS OF LEADERSHIP.... THANK YOU...

Assistant Chief Howard Jordan, let me first say that it was a pleasure (at first) meeting you.... As a compliment, I will say that you just as much extremely attractive on the news as you are in person.. You have a very strong and confident presence with an initial pleasant charm... What I am about say, as I speak in truth is I am extremely disappointed and offended by the meeting in how you conducted yourself, trying to figure out how did you get so hi in ranking... How can someone attractive, sharp, bright & charming on the exterior be so careless, dishonest, egotistical, insecure & "Unsmart" on the interior.... *Since light travels faster than sound, isn't that why some people appear bright until you hear them speak?* Just saying and not even trying to be mean but you definitely are That Example... As you treated this meeting and my file overall (complaints, concerns) with such inconsideration and carelessness, I have even less regard/ consideration for you at this point... As I have a lot of friends, associates, clients and other in your department, SOMEBODY SHOULD HAVE WARNED YOU ABOUT ME... I'M NOT OF THAT GENERAL POPULATION & VERY MUCH A RARE SPECIES AS YOU'RE ABOUT TO FIND OUT.... If you knew better, you would have done better.... Since you didn't, maybe this will give you incentive to correct the mistakes you made in the meeting..

Assistant Chief Jordan, from the beginning of the meeting, I picked up on your type in knowing you were gonna be full of shit and shady the moment you said "I'm sorry for your loss..... " (I picked it up in your voice)... That's why I stopped you because I already knew your condolences were superficial... As I stated if you truly are sorry, then do your job and make things easier for me.... The FIRST QUESTION I asked you is if you did your research (homework).. You replied , "Somewhat"... That tells me right there how much care and attention you put into My File of Situations/ Concerns/ Requests surrounding My Safety and My Father's Homicide and shows me how truly sorry you are for My Loss (which is none whatsoever)..

As there were several issues to discuss, I will say Thank You for resolving the "simple issues"... Although I wanted to have the case re assigned from Sgt. George Phillips because of his several acts of Negligence, Poor Customer Service & Dishonesty, I do understand and can respect the reason why you will not do so... Since NO ONE EVER CALLS ME OR CONTACTS ME OR RESPONDS with Status, I did not know of significant progress (and confirmation of information)... With what you disclosed, I can respect and agree that a Private Investigator is not needed for this case... I have no arguments with that... Thank You for honoring my request of finding an alternate method of communication since Phillips has caused so much emotional distress (with his foul ups) to me and my family.. I look forward to the update very soon....

Now on the main tip, You made SEVERAL MISTAKES & YOU LIED, ASSISTANT CHIEF JORDAN AND YOU OUGHT TO BE ASHAMED OF YOURSELF... You've had full knowledge of all of my complaints, emails, all documentation as there was a meeting ORIGINALLY SCHEDULED on 8/4/2011... You had from Late July until then to "do your homework" (research).. The meeting was cancelled and you went home before the meeting slot was even over and it was RESCHEDULED FOR 8/17/2011... You had from 8/4/11 until 8/17/11 to "do your homework" (research).... As Chief's Assistant, Yolanda Morris (who is also a liar) cancelled the meeting the day of 8/17/11, since you had an urgent meeting elsewhere, I didn't hear a word and things got escalated to where I FINALLY met with you this past Tuesday (9/27/11)... In all of this time, You had from Late July until Tuesday (9/27, exactly 2 months after initial meeting was scheduled) to "do your homework" (research)... You had all this time to research the emails and all attachments (That Chief Batts, Sgt Phillips & You had all this time), take a few moments to call the City Attorney to run scenarios by her, asking questions and getting confirmation and clarification of what can be done, proper policy procedure and other... But YOU DIDN'T DO A DAMN THING & LOOK EVEN WORSE THAN CAPTAIN STEVE TULL... How do I know? You told on yourself as it showed throughout the entire meeting....

Per our discussion on Tuesday, you made several inaccurate statements and I want you to confirm or correct what you said...

For the issue of gaining access on the property to retrieve the rest of My Father's Belongings that are ALL LISTED IN THE TRUST, I provided and re attaching the following:

- The Revocable Trust My Father (deceased) created from 2007, which includes the Grant Deed that Shows His SOLE Ownership of the Property, Information in the Trust confirming the Property was to go to ONLY Me and My Brother, Yancy P. Johnson

- Documentation confirming my role as Administrator/ Executor of The Trust

- Documentation confirming my role as Administrator/ Executor of The Property with Rights

YOU'VE HAD ALL OF THIS INFORMATION SINCE LATE JULY AND POSSIBLY BEFORE, AC JORDAN AS IT WAS ATTACHED IN THE EMAILS....

I have made several attempts to access the property with Civil Standby's and as the person who is Responsible for My Father's Murder (My Estranged Stepmother) has squatted on the property and lied alleging it was her house and property (after I provided the same documentation to the responding officers), your officers refused me access to my own property and brushed it off as a "civil issue", stating that a court order is required (which is inaccurate as your city attorney and my attorney confirmed)...

There is no reason, as I provided all necessary documentation to the responding officers and your department that I should not have been able to get onto that property, retrieve personal properties and carry out my duties of the Trust as the Trustee/ Administrator/ Executor as even MY ATTORNEY WAS PRESENT ON ONE OF THE ATTEMPTS AND ALSO IN DISBELIEF BECAUSE OF IMPROPER HANDLING OF THE SITUATION..

As you also confirmed that what I am requesting is a "civil matter", you **DID NOT DO YOUR HOMEWORK AND CHECK WITH YOUR CITY ATTORNEY BEFORE MAKING THAT STATEMENT...** As you asked me the same questions in several different forms of do I have documentation to confirm that I have access

and other, I DO AND I PROVIDED THAT INFORMATION WAS PROVIDED TO YOU 2 MONTHS AGO & EVEN THE MORNING OF THE MEETING.. **YOU WOULD HAVE KNOWN THAT AND READ THAT IF YOU DID YOUR RESEARCH!!!! BUT YOU DIDN'T, WHICH SHOWS ME HOW TRULY SORRY YOU ARE FOR MY LOSS BECAUSE YOU DIDN'T EVEN READ ANY OF THE DOCUMENTATION AND TAKE CARE OF THE TASK THAT WAS ASSIGNED TO YOU.... DO YOUR JOB!!!!!!**

As you've had this file/ emails/ documentation since Late July, it wasn't until the meeting on Tuesday (9/27) that you said you will contact Rocio Fierro ... I asked if you can also contact and coordinate with My Attorney and you refused, already appearing to be flustered because I had to correct you... I don't care how much you were trying to keep your cool, I could with your body language, eye movements and slight change in color, you were flustered... I asked you how soon can I hear from you on this because as I've been trying to make attempts since March with Civil Standbys and All and since then, The house has been foreclosed on, The Person responsible for My Father's Murder has Stolen everything out the house (family heirlooms, furniture, pictures,etc) and the only thing I need to get is The Vehicle that's in the carport since I am now being sued for it as The Administrator of The Trust and My Estranged Stepmother's Car is blocking it.... You tried to brush the question off so I asked more directly, "Can you please give me a time when I can hear from you and have this resolved?".. You responded, directly, **"No, I will not give you a time...."** in a very short tone and I could tell you were agitated.. **YOU HAVE SOME NERVE AND YOU DON'T THINK BEFORE YOU SPEAK, I SEE...**

So let me get this straight, as I'm already in process of filing a claim against the city and your department (taking money away from the already over budgeted city and your short staffed department) because of the several careless acts of negligence caused primarily by Sgt. George Phillips, I've already suffered the loss of My Father, have had death threats that your department gave the brush off treatment as even San Leandro PD confirmed, have lost damn near all sentimental belongings that were in that house by being stolen (photos, heirlooms, furniture, his clothes, etc) because your department didn't know to follow the proper procedure and have suffered A GREAT AMOUNT OF STRESS BECAUSE OF THE ACTS OF INCONVENIENCES UNNECESSARILY CAUSED BY YOUR DEPARTMENT ALL SINCE MARCH..... And you can't be considerate enough to see with all of that, take a few moments, make a call or 2 to get proper clarification and confirmation and coordinate something that would only take less than an hour to resolve??? As much as a few of your officers have messed up so far, you can't take a few moments out of the day to **JUST DO YOUR JOB, RESOLVING THE MATTER QUICKLY JUST SO WE CAN ALL MOVE ON??** The sooner you do your job, the sooner I'll stop bugging you....

As I'm already in process of filing a claim against the City and Your Department because of your "non education" with the issue of gaining access to the property with the Trust & Administration Documentation as I was refused access, inaccurately passing things off as a "civil matter" and since March, Everything has been stolen out of the house since then, **YOU MEAN TO TELL ME THAT BECAUSE YOU HAVE AN EGO PROBLEM BECAUSE I CORRECTED YOU ON SOME THINGS, YOU'RE WILLING TO COST THE CITY AN ADDITIONAL \$125,000+ (The Value of The Car)???? ALL THIS BECAUSE YOU DON'T WANT TO FOLLOW THROUGH AND FOLLOW UP ON A TASK THAT WAS GIVEN TO YOU SINCE LATE JULY????** You ought to be ashamed and May God Have Mercy On YOUR SOUL WITH THE MISTREATMENT YOU GIVE TO OTHERS..

So, Assistant Chief Jordan, how much do you really care about the city and your department??? How Truly Are You Sorry for My Loss as You So Superficially Stated??? How much do you truly honor your badge and what it stands for in protecting and serving??? Your actions spoke louder than your words, Jordan and I'm offended and disappointed.... You're too attractive and high ranking to be so foolish and careless...

The Simplest Resolution I am Requesting??? I am just asking for a Civil Stand by... I will coordinate (as I've done before) with Tow Trucks, Attorney and Locksmiths to gain access through the gate and onto the property... Since My Estranged Stepmother's (who is also the suspect in looking to be charged with Grand Theft Auto, Grand Theft, Attempt to Commit Fraud

(Insurance Agency), Fraud/ Forgery with DMV & Falsifying Information on a Police Report) other car is parked in the driveway, blocking the carport, if she is there, the officer will tell her to move her car out of the driveway so I can have access... If she is not there, I will have her car towed and placed on the street. I will remove the vehicle listed in the trust, check the property to see if there are any other items listed in the trust (the house has been damn near completely cleaned out but still need to check) and be done... I am just asking that with all the information provided to your department, confirming ownership and rights onto the property and personal property listed to the trust be advised to the responding officer so if the Squatter aka Suspect aka Estranged Stepmother tries to feed some garbage out her property and other, the officer will know the situation ahead of time and be able to act accordingly, instead of refusing access and brushing off as a civil matter (which has been an ongoing inaccurate occurrence)..

IS THAT TOO MUCH TO ASK, ASSISTANT CHIEF JORDAN SINCE THIS CAN ALL BE DONE IN LESS THAN AN HOUR...

With the topic of status of the rest of My Father's Belongings that were in that truck and on his body, and the issue of releasing property, again the issue of the Trust came up as I provided all of this documentation to Sgt. Phillips since the beginning and you had in your possession since Late July (emails attachments with the complaints/requests).. **A Trust is defined as a Legal Obligation given by a person called the donor or settler (my dad), binding upon the Trustee (Administrator/ Executor) of the Trust, for the benefit of another (referred to as beneficiary)..** Assistant Chief Jordan, you directly stated that Department Policy does not Honor Trusts because it is a civil matter and property is released to next of Kin (which would be My estranged Stepmother).... You made the same mistake Captain Tull Did as you did not DO YOUR RESEARCH/ HOMEWORK... I questioned your statement because if that was the case, why did Sgt. George Phillips, out of negligence, directly contact my brother (beneficiary) about The Truck (that was Illegally Auctioned Off, Later) that My Father Was murdered in, instead of My Estranged Stepmother??? You responded that Phillips did contact My Stepmother and she told him to give the truck to my brother.... You didn't say "Phillips may have" or "Possibly"..... You directly responded with that statement with confidence as if it was a fact... Assistant Chief Jordan, your response was a COMPLETE BOLD FACED BAD LIE AND YOU NEED TO QUIT IT!! I KNOW THAT DIDN'T TAKE PLACE BECAUSE WHEN I PUT SGT. PHILLIPS ON SPOT, HE STATED DIRECTLY (via email and verbal on voicemail) THAT HE RELEASED THE TRUCK DIRECTLY TO MY BROTHER SINCE HE IS THE "BENEFICIARY" OF THAT TRUCK.... So not only did you try to cover for Phillips, but you got caught in a LIE, not knowing what I already knew...

AS YOU TAKE AN OATH OF LOYALTY TO THE BADGE AND ALL IT STANDS FOR IN PROTECTING AND SERVING OUR COMMUNITY, **DON'T EVER LIE AND ESPECIALLY DON'T EVER LIE TO ME!!!**
_Your colleagues should have warned you about me because I'm not the general population female....

So back to the Trust, as you stated that Department Policy does not Honor Trusts because it is a "civil matter" and property is released to next of kin, I asked you "are you sure?" and "Can you email me what you just stated" because if that's the case, your department and the city would be covered with law suites and liabilities.. You stopped (already flustered because I've corrected you a few times already) and had to think about it and said you'll check with the city Attorney.. YOU SHOULD HAVE BEEN DONE THIS SINCE BEFORE OUR INITIAL MEETING THAT WAS CANCELLED ON 8/4 AND HAD THE INFORMATION AND RESOURCES THE ENTIRE TIME BUT DID NOT TAKE THE TIME TO RESEARCH AND DO YOUR HOMEWORK.. So how much time did you put into this project, Assistant Chief???

Lastly, although I have filed a complaint against Sgt Phillips, it has nothing to do with him continuing the investigation.... And the case is still open... One of my main complaints, as My Brother and Daddy's Best Friend both confirmed to you is that there were leads that were provided with direct knowledge, even from the beginning and Sgt. Phillips never contacted many of them... Also, as I received Death Threats already knowing it's related to the person responsible for Daddy's Murder (My estranged stepmother), I asked to have my records traced and cross referenced to Daddy's and see any connection.. I received the brush off

treatment as even San Leandro PD's Officers Confirmed.. I asked you in pushing forward, can he please do the trace & investigate to see if there is any connection and call the leads... You directly told me I have to file a complaint in order for him to do that... ARE YOU KIDDING ME? YOU REALLY NEED TO THINK BEFORE YOU SPEAK, SOMETIMES.. JUST SAYING....

So Assistant Chief Jordan, let me get this straight... As the investigation is still open, you mean to tell me that with investigating as sometimes we have to back track our notes, exhaust leads and just check into information, I have to file a complaint for him to turn over a stone that he already has knowledge of??? So you're telling me that if I provided information to your department for an open investigation that might possibly be helpful, I have to waste the City's Over Budgeted Spending on Filing a Complaint, having people to review it and then tell him to do his job??? You mean to tell me, you'd rather for me to file a complaint, rather than you telling him to take a few minutes just to follow up on something to exhaust a possible lead/ connection that could possibly close the case, sooner so he can move on???? **Assistant Chief Jordan, It appears that YOU'RE A LIABILITY TO THE CITY WITH HOW MUCH YOU'RE COSTING THEM WITH POOR JUDGEMENT & WASTING TIME.....**

So let me ask again, Are you SURE I HAVE TO FILE/ ADD COMPLAINT IN ORDER FOR PHILLIPS TO FOLLOW THROUGH WITH INFORMATION HE NEVER CHECKED ON AND IS ALSO RELATED TO MY SAFETY??

Since you didn't do your homework and as I've mentioned I've been involved with a car chase since Daddy's Homicide, Received Death Threats and Other.. Let me remind you as I, along with everyone else knows I'm the Next Target?? Is because for the person responsible for his murder (my estranged stepmother) has a motive of pure hate towards me (which is why she is acting the way she is and committed all these separate crimes since)... When my father was alive, and I was the closest person to him, I was not only his business partner and Daddy's Girl, But His Doberman (My Nickname).... What ever he told me to do, I did while he sat back and relaxed... For the person responsible for Daddy's Murder, upon request, I have fired her from the job a few times, repossessed the car she was driving.. When Daddy wanted to separate in the past from her, I coordinate everything and made it happen... When Daddy didn't want to be around her and she was stalking and harassing him, I prepared the protective orders for him and all he had to do was sign and be there.. Even for the eviction, I'm the one who prepared the document, he signed it and I served her for him and was to complete the process..

After his death and as you will see, he didn't leave her in charge and really didn't leave her anything, including a life insurance policy, she's still angry and blamed me for years for why he didn't want to be with her... So as you see from the tons of police reports & restraining orders and other, just as she removed him, the story is not over.. With your actions on Tuesday, tells me either way, you don't give a damn as your ego is too much in the way and you're too busy and you're too lazy and/or comfortable in your position to research anything....

Either way, Jordan, I'm going give you a fair shot here and ask that you correct your inaccuracies and do the right thing...

As the meeting was from 2-2:30, it ran over and as time grew closer to 3, I observed something and want to point it out... On the day of the initial meeting, which was scheduled from 3-3:30, I called the patrol desk when I was trying to find parking to let them know to notify you I'm there but will be in a few minutes late, although my brother and daddy's friend were already there and waiting.. As I came in around 3:10 and waited in line (since McDonald told My Brother that he wasn't going to acknowledge him because he wasn't supposed to be in the meeting), when I finally talk to McDonald, he called the 8th Floor and told me the meeting was cancelled... I didn't understand and it was Kiona Suttle that came down stairs to inform me that Jordan had already left and he usually gets off by 3:15 (This was approximately 3:17).. I showed her my call log to confirm when I called into Patrol at 2:57.... Kiona then went upstairs and went to find someone to meet with us... She came downstairs, apologetic and confirmed no one was available and

instructed me to call to reschedule with Yolanda... But one fact is JORDAN WAS GONE BEFORE THE MEETING TIME SLOT WAS OVER BEFORE 3:17...

I made a complaint about this shortly after and Yolanda called to address the issue and stated that Jordan was there the day of the meeting and did not leave early.... I could tell she was lying on the phone... But for confirmation??? One thing I noticed is in the meeting, as it got closer to 3, Jordan you kept looking at your watch and I could see you growing slightly impatient (like you were ready to go).... That was confirmation enough for me too see that your actions were consistent with the apology and update Kiona gave to me (IN TRUTH) on 8/4/11 and Yolanda is a lied, after the fact, trying to cover for YOU... **YOU GUYS NEED TO QUIT LYING SO MUCH AND JUST DO YOUR JOB!!! WHAT ARE WE (THE CITY) PAYING YOU AND SUPPORTING YOU FOR????? DO THE RIGHT THING AND QUIT PLAYIN REINDEER GAMES!!!!**

So Assistant Chief, Jordan?? As The meeting was held on Tuesday, I never received a follow up from the meeting, even to correct your inaccurate statements, but I am requesting response and resolution to these matters no later than Wednesday, October 5th, at close of the day.... These simple requests only take a few minutes to complete and as you didn't do your job and research before, and you WASTED MY TIME WITH THE MEETING SINCE YOU WERE NOT SUFFICIENTLY PREPARED, DO THE RIGHT THING THIS TIME AROUND...

IF I DON'T HERE FROM YOU, YOU'RE JUST ANOTHER STATISTIC TO BE ROLLED UNDER THE BUS WITH THE REST OF THE GENERAL POPULATION OF BAD APPLES WITH COMPLAINTS, CITIZEN'S REVIEW BOARD, ADDING TO THE CITY'S CLAIM AND OTHER... YOU'RE NOT ONLY COSTING ME MONEY AND WASTING MY TIME, BUT YOU'RE DOING THE SAME THING TO THE CITY & YOUR DEPARTMENT... JUST DO THE RIGHT THING AND COMPLETE THE TASKS THAT WERE HANDED TO YOU 2 MONTHS AGO!!!!

PLEASE SEE THE ATTACHMENTS ONCE AGAIN THAT YOU ALREADY HAVE HAD IN YOUR POSSESSION FOR 2 MONTHS, REVIEW, RESEARCH AND RESOLVE, APPROPRIATELY!!!!

WITH THAT HAVE A WONDERFUL WEEKEND....

Subject: Cure and Correct re public speakers on Port Commission appointments - 10/18/11 Meeting.

Dear Mayor Quan, President Reid and Members of the Council:

Introduction: At the October 18th Council meeting, the Council passed a resolution appointing Victor Uno and Jakada Imani to the Port Commission. At the October 21 meeting of the Rules Committee, the committee asked the City Attorney for a ruling regarding the following question.

Question: Did the City Council give all public speakers the opportunity to speak prior to taking action on the appointments of Victor Uno and Jakada Imani to the Port Commission as required by the Sunshine Ordinance and the Brown Act?

Discussion: A review of the video of the meeting shows the Council did not take action before it advised the public speakers of their right to address the Council. Prior to voting on the appointments, President Reid announced multiple times that public speakers had the right to speak if they chose to do so. No speakers approached the podium before the Council voted on the item.

However, after President Reid called for public speakers, there was a interruption in the chamber involving a show of support for Mr. Imani that apparently caused some confusion as to when public speakers would have an opportunity to address the Council. The Council voted immediately following this interruption without expressly giving speakers on both sides of the issue the opportunity to speak.

President Reid's announcement that the vote on the appointment of the commissioners would be "bifurcated" also contributed to the confusion regarding the timing of public comment. Clearly, a number of members of the public were confused as to the timing and said as much to the Council following the vote.

Conclusion: Given the confusion in the chamber and timing of the vote, we conclude that public speakers on both sides of the issue were not given a clear opportunity to speak before the Council voted on the item as required by the Sunshine Ordinance and Brown Act.

It is of the utmost importance that citizens have a voice in the business conducted on their behalf by the Council. To fully comply with the requirement that the public has a meaningful

opportunity to address the Council before it takes action, this item must be re-noticed to “cure and correct.”

Subject: Final 7th Quarterly Report
Attachments: Seventh Quarterly report of Independent Monitor.pdf

The Final 7th Quarterly Report is attached. Off the top, the compliance findings remained the same as the draft report in terms of what was in or out of compliance.

One noteworthy change: The final report omits comments regarding the Mayor and City Administrator that are highlighted below from the draft report. I will advise on any other noteworthy changes tomorrow.

Concern over the lack of progress and now compliance findings over the past three reports, and even a decline in this report, is still secondary to our concern with what we see as an unacceptable consistency in the underlying problem. In almost all instances where compliance falls short, it is because responsibilities for supervision and review are not met. That is true whether the issue is the continued failure to fully document the justification for stops, or it is the cavalier rejection of the credibility of some complainants. When it comes to PAS, the system documents continuing problematic behavior by some officers; but rather than prompting action, this signals inaction, for the ironic reason that the problem had been previously recognized. It is an illustration – indeed, almost a caricature – of the key issue seen throughout our reports and across the history of the Negotiated Settlement Agreement: the Department's difficulty in recognizing a problem, engaging in a problem-solving process, and staying focused until the problem is resolved. We are comfortable that Mayor Jean Quan and City Administrator Deanna Santana are fully committed to what needs to be done. The leadership of the Mayor has involved her direct interaction with the parties, the Court and the Monitor; something that is a refreshing change in the engagement of the executive leadership of the City. City Administrator Santana has demonstrated a keen interest in this matter and we recognize that this is an imperative addition to the guidance and oversight that the Department requires.

If the agency is to ever comport with the requirements of the NSA, and to a degree and depth that assures the citizens of Oakland that sustainable change will be part of the outcome, it is ultimately the leadership of the department that must be the impetus for reform and public confidence.

Dear Mayor Quan,

My name is Tom Henderson. I am the CEO at San Francisco Regional Center, LLC based in Oakland. I have enclosed a picture of the two of us at your recent Mayor's evening event at City Hall on Sept 16th regarding the women's conference.

As I mentioned to you I would like to sponsor the City of Oakland Trade Office in Shanghai at no charge to the city. I have been traveling to China for 20 years and I have 15,000sf offices at one of the most prestigious office buildings in Shanghai-Cloud Nine Plaza. The 5-Star Longemont Hotel (Regent Hotel Group) has 27 floors in this 62 story property. I have included a picture of this "Dragon's Dream" building as well as the view from our conference room window (Feng Shui). A waterfall of opportunities coming our way...

After we took this picture together last month on the City Hall steps you invited me to join you for dinner after I mentioned to you that I would like to sponsor the Oakland Trade office in Shanghai. I am also talking to the Port of Oakland to sponsor their China offices. But the politics are upside down there with the port decision makers.

I am one of the more successful EB-5 Immigration Visa companies in California. We will bring in \$100M in investments over the next year and create 2000 jobs in Oakland. We have already brought in more than \$10M over the last few months and 100% of the funds are being invested into Oakland creating jobs. I was born in Oakland, I work in Oakland and I live in Oakland.

I go to China every month and as a Cal grad I will be attending the UC Berkeley Shanghai Ball Event on Nov 12th with the UC Chancellor while tapping into the potential EB-5 investors in China. The invitation is enclosed.

Please let me know when you have time to meet for dinner in Oakland or a meeting at your offices would be great. I don't want any thing in return from the City of Oakland but I do want to support the Office of the Mayor.

Best Regards,
Tom Henderson

We completed our review and sent an email to you earlier today.

I can be reached at 238 3815 or 703 5718. FYI, this was a rushed process since Rules Committee directed us to make a ruling prior to commencement of today's 3 p.m. Port Board meeting. I became aware of the meeting at Rules today.

Port Attorney, David Alexander, called me and advised that the meeting was set to begin at 1:30 p.m. and a member of the public advised that the meeting was scheduled to commence at 1 p.m. Given the timing, we were moving with great dispatch to review the video tape and make a determination.

A perfect way to end the week.

Here is what are guest are saying about Chabot per Yelp. Great job!!

- *9/26/2011 5 stars*

I got married here! The museum staff who helped us out (hi Kristie) were awesome and easy to work with but the real star of the show was the museum itself.

I hadn't been here before looking for a wedding venue, and most of my guests hadn't been here before my wedding, but for a group of geeks it was a perfect place to while away an evening. They have all kinds of awesome space memorabilia: launch capsules, space suits, space toilets! Apparently they cleaned house at an auction of cosmonaut stuff some years back. They've also got some exhibits about the layout of the universe and a long pitch-black tunnel you can crawl through (yes, even in a tux); it's delightfully interactive.

If you go to the back of the museum there's a great exhibit about alternative energy and global warming, with lots of neat commentary from Bill Nye (the science guy!). The movies are cool and remind me of the stuff I used to watch at the natural history museum in New York, growing up.

To crown it all, they have an observatory with three big telescopes. We rented one out for my wedding and I got to look at storms on the surface of Jupiter, among other amazing things. It was completely stunning and may have stolen the evening.

The museum's off the beaten path a little, but it's not actually very far from Oakland and it's easy to get to. On the drive up, you can catch a good view of the bay, and the museum itself is among tall trees. It's a completely amazing place and I highly

recommend checking it out if you're in the area.

In these heady post-shuttle days, Chabot is doing the important work of inspiring appropriate awe and wonder about the cosmos and the people who walk among it.

Today was our first visit, and after the great time we had we will be purchasing a family membership! My kids and I spent four hours here. I'm too exhausted right now to give details but I'll tell you what, when your seven year old is running from one exhibit to the next with sheer exhilaration you know it's a winner. I can't wait to go back at night to see through the huge telescopes.

Subject: A Vegetation Management issue of some importance.

Hello Sue!

Holy moley! Another BIG quake just now! Gad zooks. Time for the CORE group to meet again.

My question:

I have a citizen's issue and I'm mad as a hornet.

On August 14th I received an "abatement notice" from the Oakland Fire Department where I was cited for having a tree too near the house. The report had a crude diagram of a house on a property with a large X where the problem was noted.

Well, as you know, as a professional landscape architect I own a GARDEN of some renown, which is very carefully considered, and very well watered. It is a little wooly in style, which is intentional. I have a gardener who comes weekly and he and I take very good care of my garden.

SO, I tried to call the inquiry number on the report to discuss the issue with the Fire Department, to try to get more information. The number was "disconnected". I tried to email the noted email for information and the email was returned as undeliverable. Thanks.

So, I decided to move ahead without further information. I assumed that the X meant the tree on that side of my house as noted on the diagram, and I hired an excellent arborist to prune it and several other plants where the X was located, \$500+! That tree is now 10' away from the house.

Yesterday I received an overdue citation telling me that I now am being FINED \$275.15 for a "reinspection fee", telling me that I must comply or the City is going to send in a private contractor "after Tuesday, October 4th to do the pruning." I am not going to allow some contractor to come ruin my garden.

DO THESE PEOPLE EVER LOOK AT THE PROPERTY? Do they even consider

how they are treating people with this "martial law" approach? I tried to contact them, I complied with their request and now I am being fined! This is unacceptable!

SO, now what in hades am I supposed to do? I feel that as a citizen I am being persecuted and the system is not fair. One is not even allowed to represent oneself. What the heck! WHO DO I SPEAK WITH TO GET FAIR TREATMENT and rid myself of this fine and threat?

I have neighbors who are nice people and live in volatile jungles. I don't know if they are being harassed too. I see no one else doing careful pruning.

Thank you for listening. You can tell that I am really ticked off. I would appreciate some advice and help. My Citation number is 048G-7438-013-00.

Thank you so much.
